ONE

*To be part of Inner Wheel
We can make a better deal*

*If we are a lot of members
We can all be helpers*

*Everyone can make a small change for other
Together we can do great wonders*

*To empower women the world around
They will feel strong and sound*

*Leave
a lasting legacy*

*Select
and you can make a
"butterfly effect"*

*You
can have a course of action
that gives a large and good impression*

*Life
is filled with dreams
you can make them real*

*Leave
a lasting legacy
work for inner wheel*

EXPLANATION

The butterfly effect is a concept that states small courses can have larger effects. How we treat our environment has consequences for the whole earth and natural disasters cause many people to suffer in great poverty.
