Dear Change Maker National Representative

It is with a great deal of happiness and pleasure that I congratulate you on being elected to the highest office of National Representative of Inner Wheel Clubs in your country. Besides being a link between IIW and the country/District, you are a motivator, an inspiring leader to all Members of Inner Wheel in your country. I am aware of your desire to uphold the ideals of Inner Wheel and to perform beyond your capabilities.

The IIW Theme for 20-21 is **LEAD THE CHANGE**.

I have also given **GOALS** for the year which are easily achievable by any Club.

The focus this year is on:

- **Increasing Membership** (Minimum 5 Members per Club)
- **Carrying out Youth Development Project for School/ College and women in the age group of 12-25 years**, to help us build leadership skills and develop our young generation.

I have great expectations from you and I know you will leave no stone unturned to ensure that all Clubs in your District /Country achieve the targets.

Your knowledge, expertise, guidance will be an invaluable resource to your Clubs.

Looking forward to your whole hearted support and cooperation.

Lots of love and best wishes in all your endeavours.

Dr. Bina Vyas
President 20-21
International Inner Wheel
