Dear National/Association President,

I have the great pleasure in congratulating on your election to the highest office of National/Association President of IW Clubs in your country.

Working together as a team we can make the world a more just and peaceful place to live in while upholding the ideals of Inner Wheel: to promote true friendship – to encourage the ideals of personal service – to foster international understanding.

We are one of the largest women's voluntary service organizations, linking together members all over the world.

Heading for the centenary year, we have the duty to strengthen our great organization, make it better known and appreciated around the world.

This year theme is "Pink First". Poverty, discrimination and violence are still strongly present in women's and girls' lives. The UN Agenda 2020-2030 clearly states that gender equality and the empowerment of all women are the catalyst for the achievement of Sustainable Development Goals.

There will be four areas of attention: 1) Health, 2) Education 3) Opportunity 4) Empowerment.

Moreover Clubs will be required to increase their Club's Members by 10% with 2% of Members of less than 40 years old.

Your expertise and guidance will be an invaluable resource to your Clubs in your country and I am aware you will do your best to ensure that all Clubs in your country achieve the targets.

Best wishes .

In friendship

Ebe Panitteri Martines
